# ORDER.

AT a Board of the Commissioners appointed by His Majesty for carrying into Execution the Measures recommended by The House of Commons respecting the Public Records of the Kingdom, &c.

Holden at the House of The Right Honourable The Speaker of The House of Commons, on the 25th Day of March 1822;

PRESENT,

The Right Honourable CHARLES MANNERS SUTTON, Speaker of The House of Commons,
The Right Honourable SIR THOMAS PLUMER, Master of the Rolls,
The Right Honourable WILLIAM DUNDAS, Lord Clerk Register of Scotland,
The Right Honourable The Earl SPENCER,
The Right Honourable The Earl of ABERDEEN,
The Right Reverend WILLIAM Lord Bishop of LONDON,
The Right Honourable JOHN Lord REDESDALE,
The Right Honourable THOMAS GRENVILLE,
The Right Honourable CHARLES BATHURST,
The Right Honourable CHARLES WATKIN WILLIAMS WYNN,
Sir JAMES MACKINTOSH, Knight.

Ordered, That the FOURTH VOLUME of OFFICIAL CALENDARS to the INQUISITIONS POST MORTEM, or ESCHEAT ROLLS, in the Tower, comprehending the Remainder of those Records there, with Indexes of Persons and Places, be printed under the Direction of the Secretary to this Board.—

*John Caley*, Secretary.

PREVIOUS to the Completion of the CALENDARS of the INQUISITIONS POST MORTEM which are preserved in the Tower, it was deemed necessary that the immense Mass of miscellaneous Records in that Repository should be carefully looked over, in order that any deficient Documents of the same Nature should be collected and added to the general Series. This has been done during the Progress of the present Volume; and the Result has been, the Recovery of a large Portion of the Inquisitions which are noted in the preceding Volumes as lost, and the Discovery of upwards of Three Thousand other important Documents of the same kind, in the several Reigns from King HENRY the Third to JAMES the First inclusive. These have been chronologically arranged, and a Calendar of them is printed as an Appendix to the present Volume.

*John Caley*, Secretary.

*J. Bayley*, Sub-Commissioner.
